INQUIRY IS STARTED INTO PLANE CRASH

At Least 28 Puerto Ricans Believed to Have Lost Their Lives in Atlantic Ocean Tragedy

RESCUE SHIP DOCKS

Miami, Fla., June 7—(P)—A searching investigation began today into the crash of a C-46 plane in which 28 Puerto Ricans apparently lost their lives.

Representatives of the Civil Aeronautics Board and the Puerto Rican government flew to San Juan and Charleston, S. C., to open inquiries.

The destroyer USS Saufley steamed toward Charleston with 37 survivors. It was due to dock at 4 p. m. (EST).

Eight were known dead and scant hope was held for 20 others aboard the twin-engine plane that went down in the Atlantic 275 miles east northeast of Miami Monday night.

The 185-foot cutter Aurora, three coast guard planes and one air force craft continued to search the area for possible survivors, but officials said there was little hope of finding any more.

The pilot, co-pilot and steward were among those rescued from the plane, which was en route from San Juan to Wilmington, N. C., with 62 Puerto Rican migrant workers aboard.

A representative of Westair Company, operators of the plane, also was to meet the Saufley at Charleston.

The CAB said in Washington that Gordon Matthews, assistant chief of its accident investigation branch, flew to San Juan to begin an immediate inquiry there.

The Civil Aeronautics Administration said the airline operators currently are under investigation for alleged violation of safety regulations.

ALTOONA STRIKE

Altoona, June 7—(P)—A building trades strike snarled construction of the Altoona Veterans Administration Hospital today. The walkout was called yesterday by Local 1203 of the Brotherhood of Painters, Decorators and Paperhangers after the Landis Spanos Painting and Decorating Company of Pittsburgh refused to grant a wage raise.

Work To Start Soon On Sylvania Building

An early start on construction of the new plastics plant for Sylvania Electric Products Co. on Russell athletic field was forecast today.

Officers of the Warren Industrial Development Corporation (WIDCO) announced that plans for the one-story building are now in the hands of the contractors, and that bids will be opened on Tuesday, June 20.

Ground will be broken for the new plant as soon as practical after the opening of the bids.

WIDCO will build the factory with more than \$100,000 raised locally, and will lease it on a long-term basis to Sylvania.

Industry Given Green Light To Proceed With Original Plans To Occupy Oak Street Building

The Warren Zoning Board of Adjustment has granted the Ray Industries the right to go ahead with the company's plans to manufacture patented metal stampings in the old Aplana dairy building at 103 Oak street.

The Board comprised of P. C. Ostergard, chairman, F. E. Klesha, and Councilman C. A. Miller, announced its decision following a public hearing held last night in the Council Chambers of the Municipal building.

About 20 interested citizens attended the hearing. There were no objections registered against the new plant, and all of those who testified said they were in favor of granting the firm use of the building.

The appeal was necessitated by the fact that the plant building is located just inside an area designated for residential purposes under the borough's zoning ordinance.

The business will be operated by C. A. Rudinger, of 120 North Parker street, and R. W. Norris, Jr., of Ashville, N. Y. They were represented at last night's hearing by Attorney James J. Frantz.

Frantz pointed out that the building was constructed some 15 years ago for milk processing and that the original equipment had never been removed from the building until Rudinger and Norris obtained a lease on the property.

The attorney also pointed out that the building is a one-story cement and brick structure, 32 feet by 60 feet; that it is immediately adjacent to the Keystone Printing Co. plant; and that it cannot, for all practical purposes, be used for anything but industry.

In answer to a question by Board Member Miller, Rudinger said that the operation of the plant would not be noisy so as to create a nuisance in the neighborhood. He also said that electricity will be used as a power source and that the building would be heated with gas.

Others who testified in favor of the plant included Ned Shulman, who lives on Oak street, two doors from the plant site; Eli Gordon, of 115 Oak street; Nat Drake, secretary of the Chamber of Commerce; and two members of the Segel family owners of the property.

James Roosevelt and Warren Look Like Winners in the California Election

By The Associated Press

James Roosevelt's claim of Democratic nomination for governor of California, Gov. Earl Warren's long lead for renomination by the state's Republicans, and the refusal of South Dakota Republicans to re-nominate Senator Gurney stood out today in still-continuing primary returns.

In place of Gurney, top Republican on the senate armed forces committee, the South Dakota voters yesterday nominated Rep. Francis Case. Case campaigned on the need for a balanced federal budget, even at the cost of trimming military and foreign aid appropriations. He'll be opposed in November by Democratic Candidate John A. Endel.

The primaries in California yesterday had posed the interesting question of whether Gov. Warren could—against the son of Franklin D. Roosevelt—win the Democratic as well as the Republican nomination for a third term. (California laws permit a candidate to file in the opposing party's primary as well as his own, and in 1946 Warren was the choice of both the Democrats and Republicans.)

Warren, who was the Republican vice presidential nominee in 1948, campaigned on his record of governor for two terms. Roosevelt attacked the record as one of major failures.

The woman's head had been crushed with some blunt instrument, according to Dr. Richard Niple, Belmont county coroner. He said he had not completed his investigation, but that he believed the woman had been buried about five days when found.

Constable Cale Baker of Fairpoint, O., and several companions discovered the body in a mill near Fairpoint while on a routine check of a note left by a suicide in Valley Grove, Va. Va.

Ralph Lepore, chief deputy for Ohio county (Wheeling) W. Va., said the body of Paul Huntsman, Sr., 50, had been found hanging from a tree outside a Valley Grove tavern early Monday. He quoted these words on a note found on the body:

"There is no one that knows. I am the one at the saw mill."

Authorities said Mrs. Henry had been a friend of Huntsman but that she had not been seen for about five days.

The search for her had been carried on in Ohio, West Virginia and Pennsylvania.

The words "saw mill" had started a search of mills in the area. Valley Grove is about 19 miles from Fairpoint, across the Ohio river.

DRUG RING IS TARGET FOR A SENATE PROBE

Chairman Says Committee Is Going After "Higher-Ups" Directing 800 Trafficking in Dope

SECRET LIST AVAILABLE

Washington, June 7—(P)—A special senate investigating committee set its sights today on an underworld ring reported to control a nationwide traffic in narcotics.

Chairman Kefauver (D.-Tenn.) said the committee was going after the "higher-ups" who government agents say are directing 800 people trafficking in drugs, while slavers, gamblers and murderers.

"We'll have to find some way to get at those people on top," Kefauver told reporters.

Commissioner H. J. Anslinger of the narcotics bureau gave the committee a secret list of 800 names yesterday which senators said was the "who's who" in the narcotics ring. This information is the result of 20 years of investigation.

Senator Ferguson (R.-Mich.) predicted that the committee will find that big-time gambling and crime are linked with politics in many places.

The chairman said an investigation of gambling in Florida disclosed names which are on the secret list of 800 involved in the narcotics racket.

Senator Tobey (R.-N. H.), a committee member, said the list included the names of 50 major criminals and about 300 dope peddlers. The others, he said, were (Turn to Page Ten)

Charges W.U. With Handling of Large Wagers On Races

St. Louis, June 7—(P)—Investigators reported yesterday that confidential files seized in a raid on a national betting headquarters told of extensive wagers being handled through Western Union managers.

Copies of thousands of telegrams and letters were obtained in the Monday night raid. Police arrested Sidney Wyman and Steve Montefelice.

Prosecuting Attorney Stanley Wallach of St. Louis county called Wyman a "current kingpin of the gambling fraternity."

The St. Louis Post-Dispatch said the files showed Western Union managers were offered "25 percent of the winnings at the end of the month, after deducting expenses for wire charges and form sheets."

The betting commissioners making the offer were listed as C. J. Rich & Co.

In New York City, the Western Union Telegraph Company said its instructions prohibited employees from accepting "gifts," commissions or gratuities from betting officials or other similar establishments.

Wyman and Montefelice were released on \$1,000 bond each to answer any charges that may be filed against them.

The raid was based on information Gov. Alfred E. Driscoll of New Jersey gave to Gov. Forrest Smith of Missouri.

A county grand jury in Bridgeport, N. J., last Monday returned an indictment naming Wyman and three other St. Louis men.

The indictment was another in a series charging Western Union with aiding gambling by transmitting horse race bets.

Western Union said it was asking for copies of "the reported letters from employees acknowledging gifts, commissions and gratuities so that we can investigate and take appropriate action."

1,000 Killed Over Memorial Holiday Two Shot to Death At Union Meeting

By The Associated Press

More than 1,000 persons lost their lives in violent accidents over the last two extended weekends—a survey showed today—with 123 more killed in the long Memorial Day holiday period.

The toll over the four-day Memorial Day was 571. In the last weekend non-holiday period of four days, the toll was 448.

The survey over the last weekend was made to give a random non-holiday 102-hour weekend accident toll comparison with that of the Memorial Day weekend. It started at 6 p. m. Friday (local time) and ended at midnight Tuesday.

The current survey showed 286 traffic fatalities, as compared to 347 over the Memorial holiday period. Seventy-three persons drowned as compared to 97 last week and 109 persons were killed in a variety of accidents as compared to 128 a week ago.

Norfolk, Va., June 7—(P)—A "disgruntled" electrical worker turned a packed union meeting into a mad scramble for safety here last night when he opened fire with a pistol, killing two men and wounding two others.

Witnesses said panic broke out in the hot union hall on the second floor of a downtown building when 47-year-old Charlie W. Drury strode to the front of the room and fired point-blank at Otis C. Freeman, about 60.

Freeman, a Norview resident who was the union's business agent, was struck in the chest by the first shot and died almost instantly. The second bullet hit W. S. Emig, of Norfolk RFD, below the right eye. Emig died later at a Norfolk hospital.

Police took Drury into custody and were holding him for questioning early today.

Claim French Woman Poisoned 12 Relatives

Paris, June 7—(P)—Mme. Marie Besnard looks like a kindly grandmother and claims a "gentle character," but French police say she is responsible for the arsenic deaths of 12 of her close relatives.

After nearly three months of mental tests, doctors yesterday ruled the 54-year-old French peasant woman was sane and must face trial for murder.

Mme. Besnard is accused of poisoning her parents, two husbands, the parents of her second husband and six other persons—all since 1927. Conviction could mean death on the guillotine.

Eleven Ordered To District Jail For Defying Congress

Washington, June 7—(P)—Chairman Edward K. Barsky and 10 other leaders of the joint Anti-Fascist Refugee Committee were ordered to jail today to serve sentences for contempt of congress.

They protested they are victims of an American effort to bolster Fascist Spain as part of the cold war.

All 11, including Novelist Howard Fast, were convicted of contempt in refusing to produce records and reports of the organization for the House Un-American Activities Committee.

Barsky will serve six months in jail and the others—all directors of the anti-Fascist group—will serve three months. All must pay \$500 fines. All 11 are from New York City. They were given time to make some telephone calls and say goodbye to their families before going to the District of Columbia jail.

Their attorney, O. John Rogge, said it probably won't be known until Tuesday where they will serve out their terms.

The joint Anti-Fascist Refugee Committee claims its main interest is in aiding Republican Spanish refugees. The house committee and the Justice Department have called it subversive and a Communist front group.

Pittsburgh, June 7—(P)—City Controller Edward R. Frey was called before City Solicitor Anne X. Alpern today to answer accusations leveled against him in the city's free work probe.

Miss Alpern said statements made to her charge Frey with having city employees work on his farm while being paid by the city. He, and Miss Alpern both are investigating similar reports of misuse of city labor.

WEALTHY WOMAN DIES

Harkness, one of the founders of the Standard Oil Company, were married in 1904. They had no children. Like her husband, Mrs. Harkness was a railroad sister.

Move For Action On Bill To Extend Rent Controls Stirs Filibuster Talk

Washington, June 7—(P)—A move for early senate action on a bill to extend federal rent controls stirred up filibuster talk among senators today.

Majority leader Lucas (D-Ill.) won approval yesterday from the senate Democratic policy committee for a plan to speed action on the measure. He then called a caucus of all Democratic senators today to seek further backing.

Republicans opposed to the extension countered with a promise of "lots of talk," if Lucas asks the senate to take up the bill.

Senator Cain (R-Wash.) said he had gathered much speech material and could count on help from several like-minded lawmakers.

Senator Bricker (R-Ohio), an outspoken critic of federal rent controls, said that although he would not talk to delay senate action, he thought the senate ought to wait on the house which has scheduled debate next Monday with a vote expected Tuesday or Wednesday.

New Enterprise Secures Building In East Fifth Avenue For Headquarters

A new business enterprise will open about June 15 in Warren, it was announced today.

It is a water-softening service, featuring the nationally-advised Culligan process.

The new business, to be known as the Warren Service, Inc., will set up its equipment in the old Warren County Dairy building, at 207 Fifth avenue, east. The business will have three employees to start, and is expected to expand to eight or 10 workers within a year or two.

Acheson Is Opposed To Bradley Proposal

Washington, June 7—(P)—Secretary of State Acheson said today the United States opposes any rearmament of western Germany as a means of bolstering the security of the west.

Acheson made this statement at a news conference in commenting on the testimony of Gen. Omar Bradley before a congressional committee yesterday. Bradley said that rearming western Germany would strengthen the west "from a strictly military point of view."

Acheson told reporters that Bradley had made it quite clear that he is not advocating rearming the Germans—and that his opinion was strictly a military judgment.

Acheson also said the United States is willing to consider "any possibilities" proposed by Tyge Lie for settlement of east-west differences. But, he added, "there is no magic" for ending the cold war.

Lie, secretary general of the United Nations, recently toured European capitals, including Moscow.

Acheson said the western powers must go forward with their plans "to create conditions of strength" against Russian expansionist measures.

New Order Brings to 41 Number of Communist Wheelhorses Banned In 24 Hours

VIOLENCE IS FEARED

Tokyo, June 7—(P)—General MacArthur appeared headed for a showdown fight with Japanese Reds tonight after purging 37 policy makers of the bombastic party newspaper Akahata.

The new order brings to 41 the number of Red wheelhorses banned in 24 hours from Japanese political life. Eight of them are members of parliament.

The two moves set the stage for possible strikes, violence and world wide repercussions.

The Reds were caught napping by the new order. They had just named a "leading group" of eight members to replace the 24 politburo leaders who felt MacArthur's wrath yesterday.

But, far from quailing before MacArthur, Akahata blazed back with a headline today declaring "The Communist party together with the people is indestructible."

Another banner screamed for party members "to defend the Communist party."

A general strike was called by Akahata. But there was no indication party members were rallying to the call.

Japanese police raided union headquarters searching for a letter denouncing MacArthur and calling for termination of the occupation and ousting of occupation troops. The letter was read at a Communist meeting Saturday.

Doughton Battling For Slash In Taxes

Washington, June 7—(P)—Rep. Doughton (D-NC) set a July 1 target today for the house to pass the veto-threatened \$1,100,000,000 excise tax slashing bill into the lap of the senate.

But the outlook for any tax bill at all this year is dreary.

Doughton's tax-framing house ways and means committee stamped its final approval yesterday on excise cuts estimated at almost double the \$655,000,000 limit President Truman proposed. It is talking at the idea of accepting the president's proposal for an extra \$650,000,000 tax on corporations.

Excise cuts would cover furs, jewelry, pocketbooks, movie tickets and scores of other items.

"There is nothing certain about what we will do or when," Doughton told newsmen, "but I would hope and expect we can get a bill over there (to the senate) by July 1st."

Local Man Is Named On Committee To Review Vets Hospitalization Program

According to an Associated Press dispatch, new honors have come to Rear Admiral Robert Dennison, son of Mrs. W. L. Dennison, Market street, this city, presidential naval aide, who has been named with two other men in reviewing the veterans' hospitalization program. According to the White House announcement, the committee will pay special attention to the problems of paraplegics and amputees.

Others named with Admiral Dennison are Dr. Howard Rusk, of the New York University college of medicine, and Dr. Arthur Abramson, of the Veterans Administration Hospital, New York.

Dr. Rusk is chairman of the department of physical medicine

and rehabilitation at the New York University College of Medicine and a similar department at Bellevue hospital. Dr. Abramson, himself a paraplegic, is head of the department of physical medicine and rehabilitation at the VA hospital in the Bronx, New York.

Mr. Truman said the study will center especially on the problems of paraplegics—patients who are paralyzed from the waist down—and amputees.

The White House move followed protests over the abandonment of some veterans hospitals. Many of the criticisms arose over plans to transfer facilities for the wheelchair veterans from Van Nuys, Calif., where those living outside have specially-equipped homes built by the government.

Industry Given Green Light To Proceed With Original Plans To Occupy Oak Street Building

The Warren Zoning Board of Adjustment has granted the Ray Industries the right to go ahead with the company's plans to manufacture patented metal stampings in the old Abplanalp dairy building at 103 Oak street.

The Board comprised of P. C. Ostergard, chairman, F. E. Kieshauser and Councilman C. A. Miller, announced its decision following a public hearing held last night in the Council Chambers of the Municipal building.

About 20 interested citizens attended the hearing.

There were no objections registered against the new plant, and all of those who testified said they were in favor of granting the firm use of the building.

The appeal was necessitated by the fact that the plant building is located just inside an area designated for residential purposes under the borough's zoning ordinance.

The business will be operated by C. A. Rudinger, of 120 North Parker street, and R. W. Norris, Jr., of Ashville, N. Y. They were represented at last night's hearing by Attorney James J. Frantz.

Frantz pointed out that the building was constructed some 15 years ago for milk processing and that the original equipment had never been removed from the building until Rudinger and Norris obtained a lease on the property.

The attorney also pointed out that the building is a one-story cement and brick structure, 32 feet by 60 feet; that it is immediately adjacent to the Keystone Printing Co. plant; and that it cannot, for all practical purposes, be used for anything but industry.

In answer to a question by Board Member Miller, Rudinger said that the operation of the plant would not be noisy so as to create a nuisance in the neighborhood. He also said that electricity will be used as a power source and that the building would be heated with gas.

McCarthy Engages In Sharp Exchange With State Dept

Washington, June 7—(AP)—Another sharp exchange between Senator McCarthy (R-Wis.) and the State Department prompted Senator Aiken (R-Vt.) to predict today that the Communists-in-government dispute will end in a "political stalemate."

Aiken made the forecast after the State Department retorted "absolute falsehood" to a new accusation by McCarthy.

The department's reply was to McCarthy's contention that the FBI in 1946 listed as Communist agents three men who McCarthy said still are holding high positions in the State Department.

"I'm standing by my information," McCarthy declared in commenting on the department's statement.

Aiken's prediction of a political stalemate came as he and other Republican senators assailed President Truman's reported plans to name a special panel to study McCarthy's charges that there are a lot of Communists and fellow travelers in the department.

GOP lawmakers asserted that any panel appointed by the administration would open the way for what Senator Mundt (R-S. D.) termed "another whitewash."

McCarthy told the senate yesterday that a report prepared four years ago by a State Department investigator referred to an FBI chart which, McCarthy added, listed 124 Soviet agents, Communists, sympathizers and suspects in the department.

James Roosevelt and Warren Look Like Winners in the California Election

James Roosevelt's claim of Democratic nomination for governor of California, Gov. Earl Warren's long lead for renomination by the state's Republicans, and the refusal of South Dakota Republicans to re-nominate Senator Gurney stood out today in still-continuing primary returns.

Witnesses said panic broke out in the hot union hall on the second floor of a downtown building when 47-year-old Charlie W. Drury strode to the front of the room and fired point-blank at Otis C. Freeman, about 60.

Freeman, a Norview resident who was the union's business agent, was struck in the chest by the first shot and died almost instantly. The second bullet hit W. S. Emig, of Norfolk RFD, below the right eye. Emig died later at a Norfolk hospital.

Police took Drury into custody and were holding him for questioning early today.

They protested they are victims of an American effort to bolster Fascist Spain as part of the cold war.

All 11, including novelist Howard Fast, were convicted of contempt in refusing to produce records and reports of the organization for the House Un-American Activities Committee.

Barsky will serve six months in jail and the others—all directors of the anti-Fascist group—will serve three months. All must pay \$500 fines. All 11 are from New York City. They were given time to make some telephone calls and say goodbye to their families before going to the District of Columbia jail.

Their attorney, O. John Rogge, said it probably won't be known until Tuesday where they will serve out their terms.

The joint Anti-Fascist Refugee Committee claims its main interest is in aiding Republican Spanish refugees. The house committee and the Justice Department have called it subversive and a Communist front group.

PROBE CONTINUES

Pittsburgh, June 7—(AP)—City Controller Edward R. Frey was called before City Solicitor Anne X. Alpern today to answer accusations leveled against him in the city's free work probe.

Miss Alpern said statements made to her charge Frey with having city employees work on his farm while being paid by the city. He, and Miss Alpern both are investigating similar reports of misuse of city labor.

WEALTHY WOMAN DIES

New York, June 7—(AP)—Mrs. Edward S. Harkness, 75, widow of the financier whose philanthropies exceeded \$120,000,000 died yesterday at her home here. She and Harkness, a son of Stephen V. Harkness, one of the founders of the Standard Oil Company, were married in 1904. They had no children. Like her husband, Mrs. Harkness was a philanthropist.

Move For Action On Bill To Extend Rent Controls Stirs Filibuster Talk

Washington, June 7—(AP)—A move for early senate action on a bill to extend federal rent controls stirred up filibuster talk among senators today.

Majority leader Lucas (D-Ill.) won approval yesterday from the senate Democratic policy committee for a plan to speed action on the measure. He then called a caucus of all Democratic senators today to seek further backing.

Republicans opposed to the extension countered with a promise of "lots of talk," if Lucas asks the senate to take up the bill.

Senator Cain (R-Wash.) said he had gathered much speech material and could count on help from several like-minded lawmakers.

Senator Bricker (R-Ohio), an outspoken critic of federal rent controls, said that although he would not talk to delay senate action, he thought the senate ought to wait on the house which has scheduled debate next Monday with a vote expected Tuesday or Wednesday.

New Enterprise Secures Building In East Fifth Avenue For Headquarters

A new business enterprise will open about June 15 in Warren, it was announced today.

It is a water-softening service, featuring the nationally-advised Culligan process.

The new business, to be known as the Warren Service, Inc., will set up its equipment in the old Warren County Dairy building, at 207 Fifth avenue, east. The business will have three employees to start, and is expected to expand to eight or 10 workers within a year or two.

Acheson Is Opposed To Bradley Proposal

Washington, June 7—(AP)—Secretary of State Acheson said today the United States opposes any rearmament of western Germany as a means of bolstering the security of the west.

Acheson made this statement at a news conference in commenting on the testimony of Gen. Omar Bradley before a congressional committee yesterday. Bradley said that rearming western Germany would strengthen the west "from a strictly military point of view."

Acheson told reporters that Bradley had made it quite clear that he is not advocating rearming the Germans—and that his opinion was strictly a military judgment.

Acheson also said the United States is willing to consider "any possibilities" proposed by Tyge Lie for settlement of east-west differences. But, he added, "there is no magic" for ending the cold war.

Lie, secretary general of the United Nations, recently toured European capitals, including Moscow.

Acheson said the western powers must go forward with their plans "to create conditions of strength" against Russian expansion.

New Order Brings to 41 Number of Communist Wheelhorses Banned In 24 Hours

VIOLENCE IS FEARED

Tokyo, June 7—(AP)—General MacArthur appeared headed for a showdown fight with Japanese Reds tonight after purging 17 policy makers of the bombastic party newspaper Akahata.

The new order brings to 41 the number of Red wheelhorses banned in 24 hours from Japanese political life. Eight of them are members of parliament.

The two moves set the stage for possible strikes, violence and world wide repercussions.

The Reds were caught napping by the new order. They had just named a "leading group" of eight members to replace the 24 politburo leaders who felt MacArthur's wrath yesterday.

But, far from quailing before MacArthur, Akahata blazed back with a headline today declaring "the Communist party together with the people is indestructible."

At other banner screamed for party members "to defend the Communist party."

A general strike was called by Akahata. But there was no indication party members were rallying to the call.

Japanese police raided union headquarters searching for a letter denouncing MacArthur and calling for termination of the occupation and ousting of occupation troops. The letter was read at a Communist meeting Saturday.

Doughton Battling For Slash In Taxes

Washington, June 7—(AP)—Rep. Doughton (D-NC) set a July 1 target today for the house to slash the veto-threatened \$1,100,000,000 excise tax slashing bill into the lap of the senate.

But the outlook for any tax bill at all this year is dreary.

Doughton's tax-framing house ways and means committee stamped its final approval yesterday on excise cuts estimated at almost double the \$655,000,000 limit President Truman proposed. It is balking at the idea of accepting the president's proposal for an extra \$650,000,000 tax on corporations.

Excise cuts would cover furs, jewelry, pocketbooks, movie tickets and scores of other items.

"There is nothing certain about what we will do or when," Doughton told newsmen, "but I would hope and expect we can get a bill over there (to the senate) by July 1st."

LAD DROWNS

Pittsburgh, June 7—(AP)—Herman Klein, 5, liked to climb fences. But the four-foot iron fence he climbed yesterday gave way beneath his weight, hurling the youngster into 20 feet of water in the reservoir of the South Pittsburgh Water Company near Becks Run road. He was drowned.

Local Man Is Named On Committee To Review Vets Hospitalization Program

According to an Associated Press dispatch, new honors have come to Rear Admiral Robert Dennison, son of Mrs. W. L. Dennison, Market street, this city, presidential naval aide, who has been named with two other men in reviewing the veterans' hospitalization program. According to the White House announcement, the committee will pay special attention to the problems of paraplegics and amputees.

Others named with Admiral Dennison are Dr. Howard Rusk, of the New York University college of medicine, and Dr. Arthur Abramson, of the Veterans Administration Hospital, New York.

Dr. Rusk is chairman of the and rehabilitation at the New York University College of Medicine and a similar department at Bellevue hospital. Dr. Abramson, himself a paraplegic, is head of the department of physical medicine and rehabilitation at the VA hospital in the Bronx, New York.

Mr. Truman said the study will center especially on the problems of paraplegics—patients who are paralyzed from the waist down—and amputees.

The White House move followed protests over the abandonment of some veterans hospitals. Many of the criticisms arose over plans to transfer facilities for the wheelchair veterans from Van Nuys, Calif., where those living outside have specially-equipped homes built.

New Officers Are Installed By Lions Club at Meeting

President Bob Wilson was in charge of the regular noon meeting of Lions Club at the YWCA Tuesday, when the following slate of officers was presented by the nominating committee and elected unanimously:

President, Dr. J. W. Giunta; first vice president, G. W. Fee; second vice president, R. Shields; third vice president, Dr. H. A. Rinard; secretary, J. V. Mazzu; assistant secretary, W. D. Maynard; treasurer, Paul Yagge; Lion tamer, Richard Gilson; tail twister, Charles C. Fleeger; directors for two years, J. K. Krimmel and I. K. Poust.

Installation will take place the last week in June, while a mid-month activity will be the father and son dinner on June 13.

Mrs. Clifford, nurse for the Warren County Tuberculosis Society, gave the monthly report on her activities, informing the club that a total of 4,277 chest x-rays were taken by the mobile unit on its recent visit to Warren. She stated, also, that the x-raying schedule of the various industrial plants in the community and county was well maintained despite the detours.

She reported all positive cases disclosed by x-ray last year have been followed up and any which come to light this year will be notified by their doctor and the Society and will be similarly followed up. She urged that anyone who is so notified should take the necessary treatment, and reminded the club members that publicity given the visit of the unit by the Times-Mirror and WNAE did much to make successful this public service.

Glen Patchen reported on the state committee meeting held at State College and reminded that G. M. Borg has been appointed to attend the state convention at State College June 18, 19 and 20.

R. Shields was presented a membership card and key by President Wilson in behalf of Lions International. This award is given for introducing new members into the club.

Sheffield Rotary Club Holds Weekly Luncheon Meeting

Sheffield, June 7—Sheffield's Rotary club held its weekly luncheon meeting Tuesday noon at the Sweet Shoppe with 22 members and one guest, Allen Solly, Warren Rotarian, present.

During the business session announcement was made of a directors meeting to be held next Tuesday evening to outline the program for the coming club year. Thomas Sanford was taken in as a new member of the club.

This afternoon at 2 p. m. the Sheffield Garden Club will meet at the home of Mrs. A. D. Bramer with Miss Kathryn Mead to present the paper for the program. Mrs. J. C. Curtin and Mrs. Fred M. Carlson will be the hostesses for the refreshments. Roll call will be answered by recitation of a tribute to father.

Sheffield's well baby clinic will be held at 9 a. m. Thursday in the Washington grade school with Dr. Thomas McHenry as the attending physician. Mothers of preschool age children desiring transportation to the clinic, should call 4281.

The regular meeting of the Woman's Missionary Society will be held this afternoon at the Bethany Lutheran church with Mrs. R. C. Cederlof and Miss Edith Cederlof as the hostesses. The Junior Missionary Society will have charge of the program.

A meeting was held last night of the Loyalty Bible Class at the Bethany Lutheran church with discussion of the carpet fund the main item of business. The various Lutheran church organizations

BUCKNELL GRADUATES—Wayne F. Klenck, left, and David L. Eisenhauer, of Sheffield, will be candidates for bachelor of science degrees in civil engineering at Bucknell University's 100th annual commencement exercises at Lewisburg next Sunday. Klenck is a member of the university's Christian Association; band, orchestra and mixed chorus, and has taken part in Bucknell's intramural sports. He also belongs to the American Society of Civil Engineers and Tau Kappa Epsilon social fraternity. Eisenhauer, who has been cited several times for scholastic achievement at Bucknell, is a member of Phi Eta Sigma, national scholastic fraternity for freshmen men; has actively taken part in the Christian Association; belongs to Pi Mu Epsilon, national mathematics fraternity; Tau Beta Pi, national engineering fraternity, and Lambda Chi Alpha, social fraternity.

As the program at the meeting there was a cornet solo by James Vile; vocal solo by Mrs. Raymond Johnson and piano solo by Charles Young. Refreshments were served by Mrs. Agnes Whyte, Miss Mabel Nelson, Mrs. Frank Byrne and Mrs. William Angie.

Officers of the Homebuilders class of the First Methodist church were elected at the meeting last night conducted in the home of Mrs. A. D. Bramer. The office of president was not filled but Mrs.

Claude Landers was elected vice president; Mrs. A. D. Bramer, secretary, and Mrs. Wayne Chamberlain, treasurer.

There were 19 persons present for the meeting at which time a picnic was planned for the June 27 meeting with place to be announced later. Refreshments were served by Mrs. Claude Landers, Mrs. Stanley Seamans and Mrs. Earl Carr.

Mr. and Mrs. R. E. Nelson and children and Mrs. E. A. Horton were in Erie on Friday at the home of Mr. and Mrs. David Morton.

Pfc. Floyd Bowser, Cherry Point, N. C., spent the weekend with his parents, Mr. and Mrs. Malven Bowser.

Mrs. John Dulan had her sons, Charles Dulan, Oakfield, N. Y., and Robert Dulan, Dunkirk, N. Y., as her guests over the recent holiday weekend.

Holiday weekend visitors at the home of Mr. and Mrs. Wilbur McKean were their son and his wife, Mr. and Mrs. E. E. McKean, Chicago, Ill., and also their daughter and family, Mr. and Mrs. Clyde Potter and son, Elliott, Bellefonte.

Miss Orpha Martin, Miss Carrie Carlson and Miss Virginia Stenstrom were in Knox to attend the high school graduation exercises. Miss Betty Gallagher, daughter of the William Gallaghers, who are former Sheffield residents, was a member of the graduating class.

NOTICE
Dr. H. H. Robertson will be out of town until Friday, June 16th.

DARTMOUTH GRADUATE
Mr. and Mrs. Byron W. Knapp, Verbeck street, left yesterday for Hanover, N. H., where, on Sunday, they will attend the graduation of their son, John, and see him receive his degree of bachelor of arts in history and business administration.

TO COMMENCEMENT
Mr. and Mrs. Einar Christiansen, North Irvine street, with Mr. and Mrs. Kenneth Christiansen, Pennsylvania avenue, east, leave today for Cambridge, Mass., to attend the graduation of their son and brother, Leon, from Massachusetts Institute of Technology on June 9.

SON TO GRADUATE
County Commissioner George Seavy will leave Sunday evening for Penn State where he will attend commencement exercises Monday morning, when his son, George Ross Seavy, will graduate with the degree of bachelor of science in chemical engineering. The young Mr. Seavy will be employed by the Atlas Powder Company, of Wilmington, Del.

LAW GRADUATE
Milton K. Sigworth, son of Mr. and Mrs. Kenneth Sigworth, Hazel street, has been graduated from the Law School of the University of Buffalo. He received his B. A. from Penn State in 1947. At present, he is in New York City at the Practising Institute, and will visit his parents next week, staying here until he takes his bar exams. His wife, Karla, and two sons, are visiting his parents.

ENDS FRESHMAN YEAR
Richard Randall, son of Mrs. Katherine Randall, 107 Jackson avenue, is home from Allegheny College after completing his freshman year as an English major. He has been active in the dramatics department, starred in a short movie, "The Apparition", and had the sub-lead in Arnold Strindberg's classic, "The Father". In addition, he assisted in helping arrange music for the comedy, "The Beau Strategem" and has done a bit of composing in the way of ballet music.

SYRACUSE GRADUATE
Mr. and Mrs. Clair J. Beyer, Mr. and Mrs. F. C. Beyer have returned from Syracuse, N. Y., where they attended the graduation of their son and brother, Laurence E. Beyer. Mr. Beyer has completed a five-year course in architecture at Syracuse University, during which he became a member of both Sigma Upsilon Alpha, the university's architectural honorary, and Tau Sigma Delta, international honorary in architecture and allied arts, and served the latter group as vice president in the past school year. He is taking a position in the office of Gordon P. Schaffer, architect of Syracuse, in preparation for examination by the architectural registration board and subsequent practice. His sister, Joan, of Petersboro, N. H., also attended the graduation exercises.

BOY SCOUT JAMBOREE

This summer will see the largest gathering of youth in the history of the Western Hemisphere when more than 47,000 Boy Scouts and leaders from all parts of the nation and its territories including many from Warren county, will gather at Valley Forge for the second National Scout Jamboree. About 570 Scouts and leaders from 14 other nations will be guests at the encampment which opens June 30 and ends July 6.

The railroads of the nation will be rolling camps for about 75 per cent of the Jamboree campers, or approximately 36,000 Scouts and leaders who will use nearly one hundred special trains. Thousands of Scouts will visit the nation's leading cities and scenic spots after the Jamboree.

Railroad associations, working with national Scout officials, are making it possible for Jamboree contingents to go to Valley Forge by direct routes including side trips, at special railroad rates that will be in effect from June 1 until Sept. 30.

All efforts are being made to move Jamboree contingents by special trains to facilitate movements at Valley Forge to prevent undue congestion there and at Philadelphia, through which many of the trains would ordinarily pass.

Three railroad stations will be used for the tented "Jamboree City." In addition to Valley Forge and Port Kennedy on the Reading Company tracks south to the Schuylkill River, there will be the Betzwood station of the Pennsylvania Railroad across the river.

Scouts will bring their own camping gear, exhibits, and supplies for making attractive gateways typifying their home areas. Trucks will transport this material from trainside to campsites.

America's newest "city" will occupy about 625 of the 2,033 acres of Valley Forge Park, owned and maintained by the Commonwealth of Pennsylvania which invited the Scouts to hold the Jamboree there. Following the encampment the Scouts will have the grounds restored to their original condition.

The Jamboree is a cooperative enterprise made possible by the forty dollar Jamboree fee paid by each participant. Scouts to be eligible to attend must be 12 years old and meet certain standards of rank and Scouting experience.

DON'T PICK UP THAT FAWN!

Dave Titus, Warren county game warden, issues his annual appeal to motorists and others to refrain from picking up fawns that may appear to be lost in the woods or along the highways. Mr. Titus reminds that it is grossly inhuman for any person to assume that a fawn is lost from its mother. Game officials have learned from long experience that a fawn is rarely, if ever, abandoned by its mother. Chances are, if a fawn is picked up by a human being, the mother is secreted some place nearby in the brush trying to keep a tender watch over her offspring.

The game warden reminds that it is not only unfair to the fawn and mother, to pick up one of the animals, but it is a violation of the state game laws to have one of the animals in your possession.

Game officials say that a fawn is never lost. If left alone in its own environments, it usually finds a protector.

The television buying wave has stepped up sales of living room furniture far beyond anything manufacturers and dealers anticipated, reports Pathfinder news magazine. Folding, swivel and barrel chairs, love seats on casters and hassocks are selling great guns—as is almost anything else labeled as helpful in cramming more TV-watchers into the living room. Among popular items: television hobby-horses so youngsters can gallop and shoot rubber-tipped missiles wildly while viewing Westerns; snap-on trays so viewers won't starve if they get glued to their chairs.

With the big event less than four weeks away, the meeting of the Fourth of July celebration committee scheduled for this evening at eight o'clock at the American Legion Home is a most important one for everyone involved, and a large attendance is urged by those in charge. In this connection it should be necessary to remind that all persons interested in helping to promote the project are cordially invited to attend these sessions.

It is good news to learn that bids have been advertised for the building to house the new Sylvania plant on Russell Field. Warren is moving forward in spite of detours and zoning difficulties!

Summer has finally succeeded in getting its foot in the door, although the season is not scheduled to arrive officially until June 21, at 6:37 p. m., (EST).

Something to Cheer About

Here And There

Speaking of bridges, which have been pretty much in the news of late, here's an interesting story from the Evening Mirror of fifty years ago. "Today marked an important event in the history of Warren county when at half past two o'clock this afternoon County Commissioners W. J. Mead, J. F. Rounce and H. M. Preston met at the toll house of the Allegheny River Bridge Co., at Gladerun and completed the final arrangements with Messrs. Myron Waters, president of the company, and Andrew Hertz, treasurer, by which the county became the owners of the bridge. The amount agreed upon was not given out but it was said the price paid was satisfactory to the owners of the bridge and was an advantageous one to the county, the amount being less than what a new bridge could be built for at the present time. Meetings have been held daily for some time past with a view to reaching an agreement whereby the structure could be thrown open to the public

as a free bridge, but it was not until this afternoon that the negotiations were concluded and the bridge was declared free. The first conveyance to cross the bridge without paying a toll was owned by Samuel Mack; the second was the delivery wagon of J. S. Bayer, the furniture dealer. Miss Mattie Parshall, who has been in charge of the bridge for the past fifteen years was continued in the same capacity by the commissioners. The present structure was built seven years ago and is in good condition. The taking of the Gladerun bridge as a free bridge does away with the last toll bridge in Warren county, which will be a source of gratification to the people. Toll paying has always been an annoyance to the patrons of the bridges and they will no doubt appreciate the new order of things. Warren bicyclists especially will be favorably impressed with the new arrangement and it will tend to make the Brown Run ride more popular than ever."

It's Liberal vs. Conservative Again in North Carolina Vote

BY PETER EDSON
NEA Washington Correspondent

WASHINGTON—(NEA)—The Democratic senatorial primary in North Carolina is the fifth big test in this year's battle of liberals versus conservatives. This is the race of the incumbent Sen. Frank P. Graham for re-election, against Willis Smith, conservative former president of the American Bar Association, and former Sen. Robert R. Reynolds, isolationist.

Up to the North Carolina primary, the score stood three victories for the liberals in Pennsylvania, Oregon and Alabama, to one conservative victory in Florida.

Senator Graham has been a backer of most of President Truman's program. North Carolina Democrats were "regular" throughout the 1948 election, and they defeated the Dixiecrats in that state.

Senator Graham was not too active in that 1948 campaign. In 1947 he had served on the President's Civil Rights Commission. Then he was U. S. representative on the United Nations Good Offices Commission in Indonesia. He resigned from that post in February, 1948, to return to his regular post as president of University of North Carolina. He was not appointed to the U. S. Senate until March, 1949, after the death of Sen. J. Melville Broughton.

In all this period, there has been one major issue on which Senator Graham has deviated from or opposed the principles of the Truman administration. This has been on the Fair Employment Practices Commission. And as is only to be expected, this has been the major issue in the North Carolina primary.

BECAUSE Senator Graham has been on the liberal side, the effort of his opponents has been to prove that he favored the FEPC. He was on the President's Commission. It recommended elimination of all racial segregation in employment, education, housing, health, government service and in the armed services. For political purposes, it has therefore been assumed by his opponents that Senator Graham favored this policy.

What this has overlooked is the fact that there was a minority report to the recommendations by the President's Commission on Civil Rights. It was not so identified, but Senator Graham has declared that he wrote this minority report.

Taking exception to the recommendations for compulsory elimination of segregation by law, it advocated instead the policies of "voluntarism" and "gradualism." These are the gobbledycock words which have become common in the FEPC argument by moderates who merely want to put in anti-segregation laws no faster than they can be readily accepted in any locality.

As of today, no Southern politician—no matter how liberal he is on other issues—can hope to survive if he opposes racial segregation. This may be sad, but it is a political fact of life. That is why Senator Graham has apparently had to take his present position on this issue. Also, he believes it.

THE Democratic administration has led the U. S. Senate through two fruitless filibusters for FEPC. They have consumed great time. They have not advanced the cause of anti-segregation.

If the Truman administration had been willing to take a compromise on FEPC—accepting voluntarism and gradualism—it would at least have had that. And the way would then have been cleared to come back again later to ask for more anti-segregation measures.

Senator Graham has not registered a vote on the FEPC issue. He was not sworn in as a senator until two weeks after the FEPC debate ended last year. And he was ill in North Carolina when the first vote to limit debate was taken May 19.

If in this situation, the Truman administration should lose Senator Graham over the FEPC issue, it would be a real blow.

Interesting Items Taken From The Warren Evening Times

Ed Pierce, former Warren boy, who has been away from the borough for about forty years, arrived here yesterday to renew old acquaintances.

Carl Cronmeyer, one time Sheffield boy who has become a Texas oil millionaire, figured prominently in Texas news recently when, on May 28th the seventh anniversary of the bringing in of Reagan County's discovery well, was observed.

Art Johnson, Warren portlander, lost a tough one to the Williamsport Grays the other day. Art held the Grays to two hits and had blanked them during the first eight innings, going into the ninth with the score 1 to 0 in favor of the York team. A series of bad breaks however, resulted in loss of the game.

Warren county in the year 1798 is pictured in an ancient diary brought to the Times-Mirror by Dr. W. T. Sharpless of West Chester, president of the Pennsylvania State Medical Society, and friend of Dr. H. W. Mitchell, superintendent of the State Hospital, through whose efforts the diary was secured. The record was kept by Joshua Sharpless and describes a visit to Warren County and the Complanter Tribe 132 years ago.

"Hold Everything!" with Winnie Lightner, is now showing in Warren.

Annual Children's Day Services Held At Youngsville

Youngsville, June 7—The annual Children's Day program in the Methodist church will be presented in the church auditorium at 10:40 a. m. Sunday, immediately following the Sunday school hour. Various classes are a rehearsal for the event and a line program is assured. There will also be a baptismal service about 11 a. m., with the program closing a little earlier than is customary because of its being a combined service.

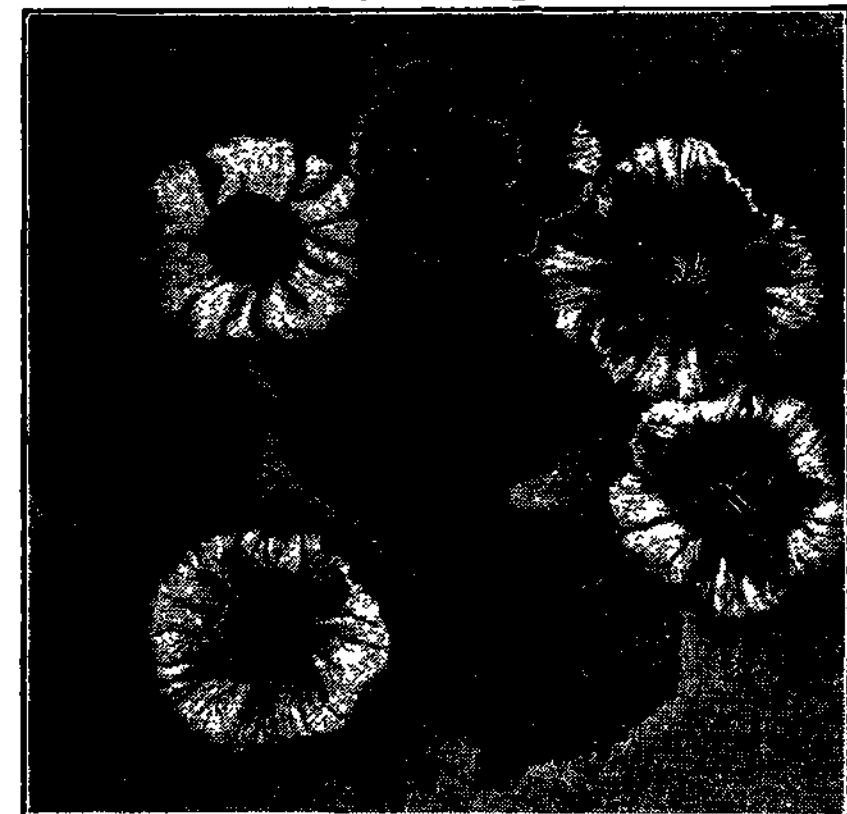

Both the afternoon and evening groups of the WSCS had good turnout for their June sessions. The afternoon unit met with the newly-elected president, Mrs. John Carr, with devotions conducted by Mrs. H. H. Husted and an article on work in the foreign mission fields read by Mrs. Raymond Hooven. Letters were also read from a number of the foreign

workers. Outline of events to come will include a Friday, Aug. 4th, picnic following July vacation. Both units will have their picnic-meeting at the home of Mrs. L. W. Hull, West Main street, with Mrs. James Hamilton, Mrs. C. C. Johnson and Mrs. R. C. Hooven as hostesses. Plans were also discussed for representation at the Chautauqua Institute of Missions August 20-26. Luncheon was served by the hostess and her committee to conclude the afternoon.

The evening group held its meeting with Mrs. E. C. Stilling, with Mrs. Alice Hull continuing her review of the study book, "Japan Begins Again". Mrs. R. L. Mead presided at the business session, when it was decided to send the president as delegate to the Chautauqua Institute, Mrs. Mead to accompany Mrs. John Carr, head of the afternoon unit. It was announced the WSCS rummage sale will be continued in the Agnew building this Friday and Saturday. Refreshments were served by the hostess and her committee.

Gay Garden Pinks are Lovely and Easy to Grow

Dianthus Heddeiwigi flowers have brilliant color patterns.

One of the flowers which deserves to be more popular than it is, is the dianthus. It belongs to an old family, with many branches, all lovely, hardy and easy to grow.

There are biennials, perennials and annuals among them, none of which is exacting in culture. Carnations can be grown in the home garden, as beautiful as the greenhouse types. A strain of annual Chinese pinks, known as Dianthus Heddeiwigi, is especially recommended for garden borders, because of its uniform bush habit of growth, and brightly colored flowers which develop at the end of each branch.

The flowers are single, with flat petals forming a circle of 2 inches in diameter. A plant forms a mound of brilliant color, about a foot high. The colors are remarkably clear, and while some plants are dark red, most of them are pink of varying tones, marked with white.

If the flowers are cut before they produce seed, the plants will bloom all summer; and often live over winter, or self-seed, so that they renew themselves. A strain which has been selected for fringed petals is called Gaiety. There is also a strain with rounded petals, but similar in coloring to Gaiety. The seeds germinate quickly, and

the plants are as easy to grow as zinnias and marigolds.

Chinese annual pinks have small flowers in clusters, but with the same bright colors. Carnations do not make as spectacular a show in the border, but they bear cut flowers of high quality. The strain known as Carnation Grenadin is a perennial and should be started now for flowers next year. The annual strains take 90 days to produce flowers, so are usually started indoors for spring planting.

Sweet Williams are members of the dianthus family, which are biennials, living for two years, but usually flowering in the autumn from spring-sown seed. Sow seed now for next year's flowering, and keep it up annually if you like the flowers. They bloom in June when carried over the winter, and give the same vivid red and white flowers that the annual pinks do.

Clove or grass pinks are the most reliably perennial group of this race. They are fragrant, bloom in early June, and will live many years. These are the old fashioned garden pinks, which are not as brilliant in coloring as the new annual strains, but are most welcome when they come year after year, at a time when there is not much brilliant coloring to compete with them.

Rochester Girl Is Bride of Edward A. Langhans In Hawaii

Mr. and Mrs. Jacob Gitelman, of Rochester, N. Y., have announced the marriage of their daughter, Joyce Shyra, to Edward Allen Langhans, son of Mr. and Mrs. A. M. Langhans, 105 Alexander street, this city.

The ceremony took place in Honolulu, Hawaii, where Mr. Langhans is a member of the faculty of the University of Hawaii and technical director of the University Theatre. Judge Gerald Corbett read the service in the home of Dr. Joel Trapido, also a faculty member, and Mrs. Trapido.

Following the reception, the new-

lyweds left for a honeymoon tour of the Islands, after which they will reside at 1837 A Keller road, Honolulu.

The bride was graduated cum laude from the University of Rochester in 1949; was editor of the Tower Times, the Woman's College university paper; also co-editor of Intrepres, university annual; and a member of Marsiens, women's campus honorary society, and Alpha Sigma Sorority; was also 1949 winner of the Susan B. Anthony prize. She also attended Eastman School of Music and in 1948 attended Oxford University in England.

Mr. Langhans is also a University of Rochester graduate, receiving his bachelor of arts degree in '48 and his master's in 1949. He served as managing editor of The Campus, men's newspaper; was president of Stagers, and director of the Quilting Club; president of Rochester Chapter, Theta Delta Chi, and a member of the men's honorary society, Kappa Kappa. In 1948 he received the Percy Dutton Prize.

During the war, he was a fighter pilot in the Ninth Air Force in Europe, receiving the Distinguished Flying Cross, and for his second tour of duty was a bomber pilot in Panama. He is now a captain in the Air Reserve.

Just recently he has won the territorial play-writing contest and his play, "Operation Sharkbait" was produced in Honolulu last month.

Young Mothers Study Club Planning Picnic

Young Mothers Study Club will give its annual picnic at the home of Mrs. Jeral Angove, Akeley, Monday at 7 p. m.

Former members of the club are invited to attend the event and are asked to call Mrs. Angove by Saturday if they expect to be present.

The slate of new officers of the club will be presented by a nominating committee made up of Mrs. Lee M. Schaeffer, Mrs. William Moore and Mrs. Wallace Sedwick.

A white elephant sale will be held during the evening, with items discarded after spring cleaning to be sold. The proceeds will go into the club treasury.

Members are asked to bring a turkey, cup and silver to the picnic. Mrs. Angove will be assisted on the hostess committee by Mrs.

ST. PAUL'S TO MEET**
The St. Paul's Lutheran Brotherhood will hold a meeting Thursday evening at 7:30 o'clock at the church, with the following committee in charge: Arthur Hedburg, John Fridel, Gunnar Gustafson and Ed Hamilton.

HERE AND THERE

(From Page Four)
are concerned... After thoughts: The Johnny J. Jones Exposition, which had a lease on the brewery lot for the first week in July, negotiated earlier in the year and later changed its routing to miss Warren, is playing Bradford this week... The park commission of the borough has been authorized to secure bids for 1,000 (one thousand) bleacher seats, and not 100 as was inadvertently stated in the Tuesday issue. Incidentally this decision was learned with pleasure by a number of groups, including the Fourth of July celebration committee... Well, the kids may sleep in tomorrow morning, but how many will?

IRVINE

Methodist WSCS members were entertained at the home of Mrs. Otto Bliss for their regular session. The president, Mrs. Edith Olson, conducted devotions and the business meeting, during which it was voted to send cards to a sick member and a shut-in. Mrs. Hamblin reviewed the book "The Man Nobody Knows", Mrs. Wolfe and Mrs. Ongley gave readings, a silver offering was taken and refreshments were served by the hostess. The July meeting will be omitted and the August session will be announced later.

Guests and callers at the home of Mr. and Mrs. Arthur Hamblin included Mr. and Mrs. Alfred Hitcheliff, of Rochester, N. Y.

The Robert Brown family moved to Warren Thursday and the Clinton Johnson family moved into the house vacated by the Browns. Chas. Chase, Ridgefield, N. J.; Mr. and Mrs. Bob Smith and family of Starbuck; Mr. and Mrs. Clifford Wing and son, of Youngsville; Mr. and Mrs. John Colter, of Warren.

Mrs. Lawrence Nichols, of Corry, called on her parents, Mr. and Mrs. N. B. Hulings, Wednesday.

One item in last week's news was misprinted. It should have read Mrs. Tom Harrington has returned to her home in Oilmont, Mont., after spending the winter here with her sister, Mrs. J. A. Murray.

Miss Laura Wing left Monday to attend her grandson's graduation at Port Allegany.

Shawkey Students Delight Audience In Piano Recital

In the very fine recital given by piano pupils of Alice B. Shawkey, at the Woman's Club, twelve students were making their first public appearance and performed very creditably. They played with ease, a fine expression, and rhythm that was exceptionally good for a beginners' group.

Mary Pat Gibson, one of the piano pupils, delighted the audience with two accordion numbers, "German Folk Song" and "Tulip Waltz". Carolyn Edmonds, another of the piano students, displayed a charming style in her two vocal selections, "A Dream Is a Wish" from Cinderella, and "I Don't Want to Play in Your Yard."

Students playing piano numbers were Carolyn Edmonds, Nancy Ennis, Richard Smith, Janet Edmonds, Thomas Erickson, Mary Pat Gibson, Ann Smith, Robert Proper, Micheline Figliuzzi, Carol Ann Brooks, Ann Proper, Ruth Ann Gerrety, Louise Ann Beal and Donna Gray.

Violin Instructor Presents Students

Arthur R. Briggs, head of the violin department of Warren Conservatory of Music, presented his students in a very pleasing recital in the concert hall Monday evening.

Those appearing were Jimmie Dove, Keith Gibson, Toula Fanos, Norman Main, Betty Lou Emerson, David Fuelhart, Charlotte Smith, Mary Elliott, Carolyn Eddy and Karen Kinney, Warren; David Mourer and Dallas Haight, Youngsville; Ruth Ann Scott, Sugar Grove; Freddie Johnson, Ludlow.

Awards were presented to Freddie Johnson for achievement and to Charlotte Smith, David Mourer and Dallas Haight for attendance.

Guest artist for the evening was Norma Haight, Youngsville contralto, who sang with much feeling and understanding. Miss Haight has one of the most beautiful, natural voices in this section and should go far in her chosen field.

SPIEGEL-BILLSBOROUGH MARRIAGE ANNOUNCED

Mr. and Mrs. C. W. Billsborough, of Dallas City, Pa., announce the marriage of their daughter, Janet Arlene, to James A. Spiegel, son of Mr. and Mrs. James A. Spiegel, on Saturday, June 3, at Diamond. The ceremony was performed by the Rev. Harry Andorf at the Evangelical United Brethren church.

In attendance for the rites were Mr. and Mrs. Billsborough, Patricia and Kermit Billsborough, Dallas City; Miss Doris Ackley, Allegheny, N. Y.; Mr. and Mrs. James A. Spiegel, Mr. and Mrs. Norman Ostrander and daughter, Dianna, Port Allegheny.

After a short wedding trip, the newlyweds will be at home to friends at Dunbar Crossing.

For GOOD-ness Sake

By Betty Rice

News from Girl Scout headquarters informs us that the camp committee finds it necessary to secure additional equipment for the coming season. It is felt that troops, troop committees, neighborhood clubs, sponsors or individuals might be interested in giving some of the equipment. Some items are: 2 two-cup measures, 6 paring knives, 6 vegetable peelers, wide-mouthed gallon jars for storage, a ladle which could be used at table for serving soup, cheese glasses for fruit juice, pyrex custard cups, 2 dish drains, gallon jugs for water, galvanized buckets, brooms, rakes, tools (hammer, axe, hatchet etc.), books for counselors reading room, books for campers library (not comic books, please), table radio, sports equipment, basketball, soft ball or mushball, cleaning cloths, craft odds: 'N' ends, crayons, muslin, old felt hats etc. and waste baskets.

Please contact Girl Scout office (phone 1895 or a note to 404 Market street, Warren) to inform camp committee of any contributions.

Going to Camp This Year? To accommodate prospective campers, the camp committee announces two one week periods open for reservation... July 20-July 27 and July 27-August 3rd. The week beginning July 12-July 18 is filled and there are but a few vacancies for July 5-July 12. Better decide now.

The Children's Aid Society requests volunteers for foster home parents. Any of our Warren families who have extra room and lots of love left over can do plenty for GOOD-ness sake. Children placed in foster homes are not on the adoption list—they just need warm, family care. Part-time parents under Children's Aid don't make any money—but they have a

lot of fun doing a wonderful thing. Added to the list of local business concerns who have materially aided the Red Cross Blood program are: Kintner Signs and Penn Furnace and Iron. Thanks are due both of them.

Be Sure That Husband Shares Interest in Your First Home

MEMO to June brides:

Get your husband interested in the first home you share, even if it is just a tiny apartment, if you want him to take as much pride in your home as you do.

It may be a temptation to go ahead and furnish your home exactly to suit yourself and then sit back and bask in your new husband's approval of what you have accomplished all by yourself.

But your home will belong more to the two of you if you get your husband interested in helping you make selections, decide on color schemes, and so forth.

After all, when you start showing your house or apartment to your friends, you want your husband to feel the same sense of pride and accomplishment in it that you do. And he can't do that unless he has some part in the planning of it.

MAKES HOME A PARTNERSHIP AFFAIR

THE wife who can, when she takes guests through her home, say "This was Bill's idea" or "Bill refinished this chest himself" or "Bill and I both like modern" makes a home seem much more like a mutual accomplishment than the wife who takes all the credit for everything that has been done.

Furthermore, a man really has a right to have his home express something of himself. The big, strong type of man whose frilly-minded wife decorates their home to suit her personality certainly isn't giving her husband the kind of background he would choose for himself—and yet that is the background he has to live with.

So get your new husband interested in helping you plan your home and don't veto every suggestion he makes that isn't exactly what you would have chosen. It only takes a few such vetoes to get a man to the point where he bows out with, "I guess you know more about these things than I do; so you go ahead and do whatever you like."

MENU SUGGESTIONS

BY GAYNOR MADDOX
NEA Staff Writer

FOR lunch during warm weather
serve salads made with fruit or vegetables. They provide nourishment, especially when served with enriched bread or rolls, and rest lightly on the stomach.

Tomato Sandwich Salad
Put two slices of fresh tomato together with a filling of cottage cheese. Serve on iceberg lettuce. Top with mayonnaise. Other fillings such as chicken, tuna or egg salad may be used too. For youngsters, cut this "sandwich" into bite-size squares for easy eating.

Calico Peach Cup Salad
Crisp cabbage-apple salad heaped in a luscious fresh or canned peach half is a vegetable and fruit combination that will mean happy eating for all the family. Leave the red skin on the apples and garnish the top with thin apple slices. This salad is unusually attractive looking.

Matchstick Salad
Place a small mound of cottage cheese on a bed of shredded lettuce. Dip one end of crisp, cold celery and carrot sticks in a bit of

paprika and insert them in the cottage cheese ball, "flame" end up. Or heap the "matchsticks" loosely on shredded lettuce.

Stuffed Pear Salad
Fill fresh or canned pear halves with a mixture of equal parts of finely grated raw carrot and grated American cheese moistened with French dressing. Serve on lettuce cups arranged on a platter.

TOMORROW'S MENU

BREAKFAST: Blackberries, cornflakes, toasted cheese bread, butter or fortified margarine, coffee, milk.
LUNCHEON: Chicken soup with rice in cups, crackers, stuffed pear salad, whole wheat rolls, butter or fortified margarine, hard candies, tea, milk.

DINNER: Sliced beef tongue, creamed horseradish, parsley new potatoes, broiled tomato halves, enriched bread, butter or fortified margarine, sliced cucumbers, chocolate brownies, coffee, milk.

Donald M. Fly, mechanic at Nace's Service Station, Souderton, Pa.

Skilled Mechanic

One of the many good mechanics
in Souderton, "Don" Fly keeps
quite a few cars and trucks in good
running order. One of them is the
Bell Telephone truck pictured.
This raises a point worth remem-
bering: Bell Telephone's big fleet
of nearly 3,500 vehicles in Penn-
sylvania is really many little fleets
...bought from local dealers,
driven by local telephone men,
serviced by local garages and gaso-
line stations.

That's typical of the telephone

industry. Last year alone Bell Tele-
phone did business... as a customer
...with some 2,000 Pennsylvania
companies, in more than 200
communities. This helped provide
work and wages for countless
mechanics and other skilled people
throughout the state.

Any way you look at it, the suc-
cessful operation of the telephone
business means a great deal to the
steady employment of a great
many Pennsylvanians, both in and
out of the telephone industry.

Printz Co. Having Outing Today At Polk Picnic Grounds

This is the day of the annual
Printz Company Employees' outing
at the Polk picnic grounds near
Franklin, with 150 in attendance
from the stores in Jamestown, N.
Y., Kane, Warren, Franklin, Oil
City and Meadville; in Pennsylv-
ania; and Warren and Youngs-
town, Ohio.

Fifteen from the Warren store,
joined employees from the nearby
Jamestown store, to make the trip
on a chartered bus which left here
early this afternoon. Three special
buses will carry employees from
the Warren and Youngstown, O.,
stores to the recreation spot.

A barbecued chicken dinner,
with all the trimmings, to be one
of the highlights of the afternoon,
is to be served by the Lewis Cater-
ing Service of this city. Another
feature of the day will be the
presentation of a gift to Ralph

Liberty Bell Will Visit Forest County Friday, June 16th

On Friday, June 16, the citizens
of Forest County will see their
Liberty Bell on the Court House
lawn between 12:45 and 1:30 p.
m., according to an announce-
ment from Charles L. Pickens,
Chairman of the Forest County
Volunteer Savings Bond Commit-
tee in charge of the bell's appear-
ance.

The Liberty Bell is one of the
fifty-two exact copies of the Lib-
erty Bell that the Savings Bonds
Division of the Treasury Depart-
ment put on tour to remind the
nation that thrift is a cornerstone
of independence. These bells will
ring out the message "save for
your independence" during the
drive period May 15 through
July 4.

Each bell is a latter day twin
of the original. It differs from the
shrine in Philadelphia in only two
respects. It is a good deal young-
er, and whole.

The bells were constructed in
Anney, France, under the super-
vision of Arthur L. Bigelow, pro-
fessor of engineering at Prince-
ton University and one of the
world's foremost bellmasters.

Millions of Americans will hear
how the original bell sounded.
First onlookers were almost shock-
ed at the breath-taking beauty of
the bell. It is so beautiful that the
people who crowded around it for-
got that it was mounted very
simply on a decorated Ford truck.

ORCHID FOR PRINCIPAL—Miss Jane B. Holt, principal of East Street school, poses for Times-Mirror photographer as Mrs. T. W. Aldrich, PTA president, pins on the beautiful orchid which was but one of several gifts presented to her at dinner party at YWCA Tuesday evening.

Deserved tribute was paid Miss Jane B. Holt, East street school principal, when the PTA of that building sponsored a dinner party for the teachers at the YWCA activities building Tuesday evening. Tables, set for about 70, were prettily decorated with spring flowers. The guest of honor, Miss Holt, was wearing an orchid and other teachers corsages, compliments of Sherm Offerte of the Crescent Floral Gardens. The invocation was given by Dr. A. F. Yerg.

Mrs. Talbot Aldrich, president of the PTA, presided for the brief program which followed the dinner. She introduced Attorney R. Pierson Eaton school board solicitor and a former pupil of Miss Holt, who responded by praising Miss Holt for her unselfish devotion to her work for her school and the community.

He said among other things, almost without exception, people who have left their mark in Warren are either teachers, husbands of teachers or children of school teachers. "Of all teachers who have left their mark," he declared, "not any have left a greater impression than Miss Holt."

Following the talk by Mr. Eaton, Mrs. Aldrich, on behalf of the Association, presented Miss Holt with three gifts—"Something to keep time with, something to pass the time with and something to have a good time with." These included a handsome wrist watch, a bill of large denomination, and a "book of remembrances," signed by over 300 persons, including members of the PTA and former pupils.

Miss Holt responded with a generous and whole-hearted "thank you." She said it was a feeling of satisfaction to know that one has so many loyal friends. She remarked about the large number of former pupils sitting around the tables, and reminded with satisfaction that all of them have made their way and are leaving their mark. She spoke feelingly of the fine cooperation received from teachers associated with her over the years, and thanks the PTA for its fine cooperation. She also spoke of the large number of greeting cards received from former pupils.

Value of Blood Bank In Saving Lives Emphasized By Chairman of Committee

Lives are being saved in every corner of the nation by blood transfusions, according to Dr. R. E. Lowe, chairman of the medical advisory committee of the Warren County Red Cross Chapter's National Blood Program.

Each week brings in more and more illustrations of the saving power of human blood and blood derivatives. These illustrations drive home the necessity of having a well developed National Blood Program through which whole blood and its derivatives may be made available to every person in the community no matter what his race, creed, or financial status may be.

Recently a woman in her sixties was severely injured in an accident in Pennsylvania. While she was being rushed to the hospital the ambulance physician administered plasma. Hospital physicians said that this plasma saved the life of the woman in helping to overcome the results of shock.

Many instances wherein patients require large amounts of blood demonstrate the life-saving power of the fluid which can be obtained only from healthy men and women. A child in Washington required nine transfusions in February and March of 1948 before he could undergo an operation. The child possessed an unusual type of blood which was easily matched by the National Blood Program center in Washington, D. C.

For the family to find the particular donor with this type of blood would have been almost impossible.

Dr. Lowe also cited the case of a small girl in San Jose, California, who required blood transfusions so frequently that in a year's time the cost for blood alone would have been \$3,000 or more. Had this blood not been obtainable through the Red Cross at no cost the financial obstacle would have been a difficult one for the family to surmount.

Not only does the National Blood Program eliminate suffering and save lives by making blood supplies adequate but it also eliminates worry and apprehension. Dr. Lowe pointed out that when transfusions are needed close relatives were usually suffering with a great deal of emotional tension because of anxiety for the patient and that the necessity of securing donors is an added worry. When an additional financial burden is added because of transfusions he said, the burdens were greatly increased.

The National Blood Program is designed to eliminate these worries and to save lives by making blood available, in all types, to anyone who needs it. The success of the program will depend upon the generosity of local residents in donating their blood.

June 15th Is Deadline For Accepting Recruits For Enlistment In Company I

Co. I, 112th Infantry, Warren unit of the Pennsylvania National Guard, has received word that a deadline, June 15th, has been established on the acceptance of men for enlistment, prior to the unit's annual attendance for field training at Indiantown Gap Military Reservation, from July 29th to August 13th.

In other years, men were accepted practically up to train time the day they departed for camp, but this worked somewhat of a hardship on them, as they could not be properly equipped and thus could not function efficiently during field training. By placing a deadline on enlistments, supply and training personnel can get recruits in shape beforehand.

Co. I is just completing another year of successful armory training, and activities are being centered on preparation for annual field training. At the present time, the organization has a strength of four officers and 88 enlisted men, leaving quite a few vacancies for enlistments as full strength is six officers and 161 enlisted men.

The National Guard today is patterned closely along the lines of the regular army, having same type uniforms and modern equipment with which to train. Training is conducted by means of lectures, and practical work on real weapons and is facilitated by the use of films and slides. Each man receives an opportunity to fire and qualify in his individual weapon, plus the crew gun to which he is assigned. The largest is the 87 mm Recoilless rifle, developed during the latter stages of World War II, and manned by only two men, though it is powerful and accurate for its size.

Other weapons in the rifle company are 50 cal. machine guns, 60 mm. mortar, Browning automatic rifle, 30 cal. carbine, 45 pistol and hand and rifle grenades.

The training and handling of weapons proves interesting for the young man who in time of peace wishes to prepare himself for the defense of his country. The Pay and Compensation Act of 1949 has also made pay an attraction, and a table of rates appears in another section of this paper. In addition, members of the National Guard are entitled to retirement pay after twenty years service and also receive hospitalization and disability compensation if injured during drill or active duty training.

Any man between the ages of 17 and 35 who desires to enlist in the National Guard should take advantage of the opportunity now, for unless he enlists before June 15th, he will have to wait until the unit returns from camp in August. All interested persons may apply in person at the local armory, Hickory street, or phone 378.

CONGRESS AIDS CUPID!

Washington, June 7—(AP)—The house yesterday passed a bill stating that Yoshiko Emory, Japanese fiancée of a Pittsburgh veteran, may remain in this country if she marries him within three months after the bill becomes law. The veteran, Francis J. Durkey, recently was discharged from the army after serving in Japan. He intends to remain there until final action on the bill, which now must be approved by the senate and signed by President Truman.

THE MARKETS

New York, June 7—(AP)—An opening advance in the stock market quickly ran into opposition today. Fractional gains were shaved or eliminated and some leaders drifted into the minus column. The net result was a thorough mixture of small gains and losses. Trading began at a smart pace but calmed down as soon as initial demand was satisfied. General Motors Corp. which skyrocketed yesterday on news of a stock split proposal, opened unchanged at 95 1/2 but later fell for a net loss of around 1/4 point. The opening sale involved 10,000 shares.

SPOTLIGHT ON CALIFORNIA—At left, Gov. Earl Warren kisses daughter Virginia in Oakland, Calif., after she voted for the first time. At right, Democrat James Roosevelt, eldest son of the late President, checks off districts on the map at his headquarters in Los Angeles. The gubernatorial primary tested both Warren's chances for a spot on the GOP national ticket in 1952 and the magic of the Roosevelt name.

Latest Purge Is Directed On Jap Paper

munist party, went into immediate conference with MacArthur.

As they met, rumors flashed around the city there would be more purges. One hinted the Russian mission might be asked to leave Japan. William J. Sebald, chairman of the Allied Council of which Russia is a member, said he had heard nothing to substantiate or even indicate such a move.

MacArthur explained in a letter to the prima minister that the new purge order was an alternate "method of correction" to closing Akahata or re-establishing censorship. He said both were repugnant.

The announcement of the new leaders of the Japanese party was made after Prime Minister Yoshida, had said he was considering outlawing the Communist party in Japan.

Inquiry Is Started Into Plane Crash

(From Page One)

A complaint was filed with the CAB in October against the Aviation Corp., of Seattle, Wash., which does business under the name of Westair Co., the CAA said.

The complaint asked for revocation of the company's operating authority. It alleged the company's planes had been overloaded, that equipment had been operated while not in good condition, and that there had been other departures from federal regulations.

A CAB examiner completed hearings on the complaint last month but has not yet submitted his findings.

and tractor about 100 feet away, was shot at twice when he went to Shelton's aid. McKibben was not hit.

Bullets struck Roy in the back and groin. He toppled from the tractor seat and his body was badly mutilated by the harrow and disks which passed over him.

For decades, three of the Shelton brothers had been central figures in gang warfare in southern Illinois. The notorious three were Carl and Bernie, now dead of ambush wounds, and big Earl who has twice recovered from such attacks.

LANDER

Lander 4-H Girls' Club held its organization meeting at the Grange Hall and elected the following officers: Carrie Wilcox, president; Nancy Bowers, vice president; Betty Lank, secretary; Betsy Firth and Helena Marquis, song leaders; Barbara Lank and Delores Wilcox, game leaders; Joan Mahan, reporter. Fifteen girls attended the meeting, with their leader, Mrs. Jennie Lyon, and assistant, Mrs. Mary Stufflebeam. The girls chose outdoor cookery as their project and selected the name, The Emberettes.

Recent guests of Mr. and Mrs. Theo Rickerson included Mr. and Mrs. Chester Rudecki and family, of Garland; Charles Rickerson, Mrs. Richard Chapel and children, of Warren.

Mrs. Emerson Spicer, Sr., is a surgical patient in Warren General Hospital.

Recent guests of Mr. and Mrs. Lewis VanOrd were Mrs. Gertrude Betts, Mr. and Mrs. Howard Clark and sons, Billy and Barry, and Jon Ryberg to celebrate the seventh birthday of Cora Van Ord. Mrs. Clark baked the birthday cake.

Mr. and Mrs. John W. Lohr, of Sacramento, Calif., Mr. and Mrs. Martin Carlson and family, Mrs. Anna Day, Henry Peterson, all of Jamestown, Larry Guignon of Bemus Point, were guests of Mr. and Mrs. Lars Larson and Mrs. Magna Larson's 73rd birthday. Mrs. Larson spent last week with her daughters in Jamestown.

A work bee was held in the Thompson Hill cemetery. A business meeting was held and officers elected as follows: President, Myles Porter; vice president, Hugh Thompson; secretary, Mrs. Lynn Burgett; treasurer, Martin Prettyman; trustee for three years, Lyle Porter.

Classes in religious education held in connection with the school have closed. Plans were made to continue these classes next fall. There will be no daily vocational Bible school this summer.

The W.S.C.S. will meet Wednesday afternoon at 2:00 with new officers in charge.

Mr. and Mrs. Harold Babcock, of Erie, visited friends and relatives here.

Frank and Josephine Peterson have returned here after visiting relatives in Erie and Girard.

Guests of Mr. and Mrs. Mitchell Mahan were Mr. and Mrs. A. M. Kraft, of Corydon; Mr. and Mrs. Robert Ammerman, of Newfane, N. Y.

New Enterprise To Open Local Agency Here

(From Page One)

The business will be operated by Bob Schenholm, of Bradford, who is moving to Warren as soon as he finds a home. He is married and has two children, one six and the other three years old.

Schenholm said his firm has been awarded the Culligan franchise for Warren borough and Warren county. The firm will provide a soft water unit for a home or a business on a service basis, much in the same manner as a home owner now gets electricity on a monthly basis.

"The company will install a water softening unit in a home at the company's expense, and then at regular intervals the company's serviceman will remove the used unit and replace it with a fresh one. The exchange of units takes but a few seconds."

The three were running for the senate seat being vacated by Sheridan Downey.

WARREN RELIEF PICNIC TOMORROW

Board members of the Warren Relief Association have been invited to hold their annual picnic at the home of the president, Mr. J. W. A. Luce, Market street, at 11:30 a. m. Thursday.

OBITUARIES

WILLIAM S. FITZGERALD

William S. Fitzgerald, 110 Russell street, died at 1:40 a. m. Tuesday in Warren General Hospital, where he was admitted on Monday.

Born April 19, 1868, in Scotch Hill, Clanton county, he came here from Kelleysville about 30 years ago. A retired woodworker, he was formerly employed by the Warren Veneer and Panel Company. He was a member of Grace Methodist church and of its Men's Bible Class, also of Acadia Lodge, No. 633, F. and A. M., at Marquette.

Besides his wife, Anna, he leaves four children, Mrs. Harry Wilson, Jamestown, N. Y.; Lee, of Buffalo, N. Y.; Harold and Herbert, of Warren; also 11 grandchildren and eight great-grandchildren; two brothers and one sister; Albert Fitzgerald and Mrs. George Walters, Franklin, and U. S. Fitzgerald, Hottelville.

Removal has been made to the Peterson Funeral Home, where friends are being received at the regular calling hours and from where services in his memory will be held at 2 p. m. Friday. Rev. C. W. Baldwin will officiate and interment will follow in Oakland cemetery.

Oil City papers please copy.

MRS. FOREST E. TOWNE

Word has been received here that Katharine Gilson Towne, wife of Forest E. Towne, of Altmar, N. Y., died suddenly at 6:30 p. m. Saturday at the age of 62 years. A former resident of Warren, she had been away from this community for about 20 years.

Surviving, besides her husband, are three sons, Eugene, Paul and Junior; her mother, Mrs. C. E. Gilson 208 Willoughby avenue, Warren; and two brothers, Warren E. and Percy N., both of Warren.

Services in her memory were held at 2:30 p. m. today and interment will be made at Altmar.

MRS. INA H. MILLER

Corry Journal. Services for the late Mrs. Ina H. Miller were conducted Monday afternoon at the Bracken-Keating Funeral Home at 2 o'clock. Rev. James McIntosh officiated and the following friends served as bearers: R. G. Barnes, W. B. Stowe, O. A. Johnson, J. B. Dahlstrand, J. R. Dearing and Paul Meerdink.

Members of the King's Daughters Sunday School Class of which Mrs. Miller had been the teacher, attended in a body as did employees of the Pennsylvania Electric Corp., the latter forming an honorary escort. H. Lynn Rice sang "Going Home," accompanied by Mrs. Rice. Interment was made in the family lot in Pine Grove cemetery.

In addition to the survivors previously listed, the following also are relatives of Mrs. Miller; her

JACOBY ON BRIDGE By OSWALD JACOBY

GEORGE'S GENEROSITY EARNS HIM 100 POINTS
By OSWALD JACOBY
Written for NEA Service
"Some players are always taking the joy out of life," said Generous George. "As for me, I like to spread sunshine around. If somebody takes a finesse against me I root for him instead of for myself."
"I wish you wouldn't root so hard," meant South. "I'd hate 'on the rubber if you had only taken that first diamond trick."
South was perfectly right. George's "generosity" has cost his opponent three tricks.
West opened the eight of spades, and South won with the jack. Declarer counted up his tricks and saw that he could run three spades two hearts, and two clubs. He needed two additional tricks in order to make his contract, and diamonds was the only suit in which those tricks could be developed. As the second trick, therefore, South led the nine of diamonds from his hand and let it ride for a finesse.
It was at this point that Generous George, holding the East

When South's nine of diamonds held the trick, he led another diamond, and thus time George took his queen. This killed declarer's chance of making his contract. Since he had no further diamonds in his own hand, he could establish dummy's suit only by entering the dummy with the ace of spades and leading a diamond. However, this would do South no good. Once he had established the diamonds, he would never be able to get back to the dummy to cash them. Since he was able to make only one diamond, South wound up with only eight tricks. As South entered 100 points on the enemy's side of the score pad, he reflected bitterly that he would have made eleven tricks if Generous George had won the first diamond. If George had made that mistake the play would have proceeded in a very straightforward manner. Declarer would win any return in his own hand. He would then lead his remaining diamond, continuing the suit if necessary until East took his ace. Then dummy could be entered with the ace of spades to cash the rest of the diamonds. South would therefore rake four diamond tricks in addition to his seven tricks in the other suits.

May Meeting Of Youngsville School Board Routine One

Youngsville school board, at its meeting Monday evening, conducted only routine business.

The resignations of Don Marquette, English teacher, and Mrs. Alice Mondo, home economics teacher, were formally accepted. No replacements were hired.

The board definitely decided to house the kindergarten outside the elementary building next fall, but the location has not yet been announced. No teacher has been hired as yet, but purchase of tables, chairs and easels was authorized.

The board also discussed at some length the resurfacing of blackboards in the elementary grade buildings.

Bills in the sum of approximately \$1000 were approved for payment, this figure including about \$500 in insurance premiums for the coming year.

Margaret Lacy was hired to conduct the girls part of the summer recreational program. Frank Kamus, physical director, will be in charge of the program and will conduct the boys part. Harvey Horn, music supervisor, will conduct the summer music school, and both programs are to get underway on June 19. It was announced that the time for private music lessons was totally taken up.

Final settlement of the 1949 tax duplicate was made with retiring tax collector Gurney Ball.

Miss Lillian Swanson was granted use of the auditorium for a piano recital on Thursday, June 15.

Pleasant Students Guests of Party Sponsored By PTA

Pleasant Township PTA honored sixth, seventh and eighth grade pupils at a delightful banquet at Pleasant Grange Hall, with more than 100 pupils, teachers and parents present.

R. R. Young, of Warren High School faculty, gave an interesting and instructive talk on the three basic points by which ninth graders must abide if they are to make high school worth while.

Miss Lillian Ristau entertained with vocal solos, "Brown Bird Singing" and "In the Garden of Tomorrow", with piano accompaniment played by Mrs. Dorothy Engstrom.

Officers of the Pleasant Volunteer Fire Department and its Auxiliary met with officers of Pleasant Grange to clear up points of friction between the organizations and discuss the possibility of a community project in the near future.

Pleasant Township Sunday school held its annual election of officers and teachers Sunday morning following classes, with Rev. Frank officiating. Mrs. Nielson was elected superintendent; Herbert Wentz, assistant superintendent; Mrs. Myrtle Confer, secretary-treasurer; Charles Confer and William Wilcox, librarians. Teachers for the coming year are: Janet Wentz, primary class; Mrs. Genberg, juniors; Mrs. Nielson, adults.

NOTICE

The Annual meeting of the Warren County Chapter of the American National Red Cross will be held at the Chapter Headquarters, 404 Market Street, Warren, Pa., Monday June 19th, 1950 at 7:30 P. M. for the purpose of electing members of the Executive Board to fill places of those whose terms have expired; for the consideration of reports, revision of the By-laws and the transaction of such other business as may properly come before the meeting.

Packers Support A. & P. Operations

The anti-trust suit to break up the Great Atlantic & Pacific Tea Company is termed a threat to the national economy by the National Association of Frozen Food Packers whose members produce about 90 per cent of the frozen foods processed in the United States.

In a recent resolution, the association said A&P's integrated operations "are of benefit to the economy and welfare of this country and not prejudicial to the fair and proper interests of any branch or segment of the American economy or public."

The packers expressed the view that "any dissolution or breaking-up of such integrated operations would tend to work against the interests of the national economy and welfare by destroying or interfering with the highly developed distribution processes which have resulted in the distribution of high quality foods at economical prices."

LUDLOW

Among students home for the summer vacation period are the following from Edinboro: Kent Swanson; David Swanson, who will enter Penn State in the fall; Tom Nelson, who will go to state within two weeks, also Margaret Swanson, Melvin McCleary and John Juban, Clarion State Teachers College.

The Kane High School seniors held their picnic at Wildcat Park Ludlow students in the 1950 graduating class include Bertha Begany, Phyllis Dahle, George Oprich, Louise Draty, Alice Fitzello, Jean German, Robert Gorman, Olga Kulka, Larry Gelfert, Alfred Johnson, Allene Johnson, Virgil Nelson, Shirley Swanson and Catherine Juban.

The American Legion Auxiliary, wives and husbands, held a round and square dance at the Hall, with a fine attendance. Durwood Moberg was in charge of arrangements. Music for the evening was furnished by Mr. and Mrs. Ed Johnson, of Wellmore, Earl Eastman, John Zimmerman and Leo Beatty, of Ludlow, with Leonard Eastman of Irvine, calling. A lunch was served during the evening with Erlend Olson, Ed Genberg and Nick Fetzack as chefs.

William Hanson and Carl Benson, of Ludlow, were members of the J. T. Jeffrey Men's Chorus of Kane, singing in Erie as guests of the Uthmann Chorus. Mrs. Benson accompanied them to Erie. The Northwestern Post Grands Association of the I. O. O. F. of Pennsylvania, held its monthly meeting at Ludlow American Legion Hall with members in attendance from Kane, St. Marys and Ludlow. The meeting was conducted by the president, Gust Anderson of St. Marys. Lunch was served by the Legion.
